Kerala Police steals the show at Sabarimala this season

While at a time the pilgrimage season at Sabarimala nears to an end, the Police have made valiant efforts in ensuring the safety and security here. No devotees at Sabarimala had gone without getting kind support and service from the police personnel. It is along with the efforts of the police personnel, the modern technology also helped the Police in guarding the peace and calm at Sabarimala. Mine Sweeper was one such an equipment that would enable the police to detect mine that is buried even two and a half meter depth. Police have bought 10 such equipment costing Rs 48 lakhs. The X-ray baggage scanners are the other equipment that made the work of Police quite more easy. More technical things including high-power torch and many other things.

130 personnel have been working at a time at Sabarimala and more the care and kind behavior of the police have helped this season a success.
