### **Traditional forest path gets more devotees**

The traditional path through the forest via Sathram, Vandiperiyar is seeing a rush of devotees these days. This route has been getting to 1000 devotees a day and they are mostly devotees from Tamilnadu. Devotees were allowed to take this route from 7 in the morning till 2 in the afternoon and this has been done after a strict security check by the Police and Forest Department. Devotees can reach at Sathram in their own vehicle or in the KSRTC bus. The various department of the state government has arranged facilities for the devotees here. A six-kilometer trek from Sathram will get the devotees at Pullumedu from their another six-kilometer trekking would take them to Sannidhanam. Devotees from Andhra Pradesh and Karnataka take this route mostly.

**Devotees should avail the medical facilities at Sabarimala**

The medical officers of the Allopathy, Homeopathy, and Ayurveda has said that they have made enough facilities for treatment for devotees at Sabarimala and they have to use it according to their need. The officials and doctors have been posted 24 hours. Medical facilities have been arranged at Pamba and Erumely with experienced doctors handling the situation. A separate wing has been made at Sahas Cardiac center. High-tech equipment with ambulances is also ready. 15 oxygen parlours are operating from Pamba to Sannidhanam. The Ayurveda and Homeo hospitals too have been equipped with medicines and the service of experienced doctors.
